

BOB Stroller Voluntary Recall

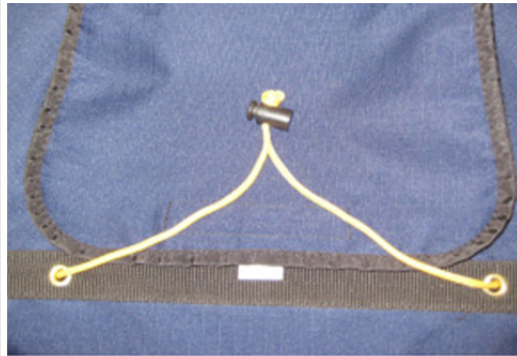

Drawstring Recall

The February 23, 2011 recall involves a drawstring on the stroller that can get wrapped around a child's neck, posing a strangulation hazard.

This recall involves BOB® Strollers manufactured between April 2002 and March 10, 2010. The recalled strollers are most easily identified by a yellow/orange Drawstring at the rear of the canopy (see photos below).
